County announces changes in Standard Operating Procedures (SOPs) for the Housing Agency

LĪHU'E – Effective Monday, June 15, the Kaua'i County Housing Agency's Rental Assistance Division will reopen for limited walk-in service at the Rice Street entrance of the Pi'ikoi Building, between the hours of 7 a.m. and 5 p.m. Monday through Thursday.

In person meetings between existing clients and Rental Assistance Caseworkers will still require an advance appointment. You may call 241-4440.

Please observe social distancing protocols and keep at least six feet of separation between others. All members of the public will be required to wear a face mask. Those without a mask will not be permitted to enter the building.

Although reopened to limited in-person public service, the general public is encouraged to continue to use mail and electronic communications to complete their business with the Housing Agency as much as possible.
